

DIRECT DRIVE FUNDRAISER

This fall, Highview has implemented a direct drive fundraiser. We wanted to move away from the student sales fundraisers that often put added pressure on parents and families.

Our goal is to raise \$9,500 which will help us sustain the current levels of funding for the initiatives that these dollars support.

If you would like to contribute to the direct drive fundraiser, you can donate through [FeePay](#) which can be accessed through your [SchoolView account](#). We will also continue to accept cash or check donations at the front office.

Thank you for partnering with us as we strive to make Highview the best school it can be.
